WHY DO YOU LOVE
YOUR BABY-G?
Aside from the fact
that it's incredibly
cute and stylish? It's
the only thing that
will actually keep me
somewhat punctual.

WHAT DO YOU WISH
YOU HAD MORE TIME
FOR? I love to walk
on the beach—it's the
one thing that really
centers me. I wish I
had ten minutes more
per day to dedicate
to that.

WHAT'S YOUR
FAVORITE THING
ABOUT PERFORMING?
When something
personal that you've
written connects with
someone you don't
know, it's the most
powerful feeling on the
planet.

HOW DO YOU FEEL
WHEN YOU'RE ABOUT
TO GO ON STAGE?
It's fun because
you're also playing
with people—I love
the people in my
band. You're basically
reimagining your
sound every night.

WHAT ARE YOU
NEVER LATE FOR? I
try not to be late for
meetings with my
label.

WHAT DOES YOUR
BABY-G SAY ABOUT
YOU? There's a
really fun and nerdy
quality to me and the
watches are really
cute! [My style] is
very simple, but I like
playing around with
accessories.

WHY DO YOU LOVE WEARING A BABY-G?
It ties all the bracelets I wear together.

WHAT DO YOU WISH YOU HAD MORE TIME FOR? Definitely sleeping—I never get enough sleep.

WHAT'S THE BEST ASPECT OF YOUR JOB? Every time I get a new project it's a new character—a new person whose emotions and life I get to explore.

HOW DOES YOUR BABY-G HELP YOU AT WORK? It tells me how much longer there is until lunch!

HOW DO YOU FEEL WHEN THE CAMERAS START ROLLING? There's a huge adrenaline rush, but I have to focus all my attention on the scene and what I'm about to say. I still get super nervous every time they yell "action!" even after filming for eight years.

WHAT ARE YOU ALWAYS ON TIME FOR? Everything! My mom's drilled into my head that it's always better to be early than late.

WHAT DOES YOUR BABY-G SAY ABOUT YOU? I'm organized and together, but it's so cool that whatever people say about watches being nerdy just goes out the window. It's my favorite accessory.
